GRAND KNIGHT'S MESSAGE

BLESSED

A Blessed November to you and yours.

We have much to be thankful for. We are blessed to live in the United States of America, where we are free to worship God as we know God deserves. Free to celebrate the Holy Sacrifice of the Mass. Free to receive Our Lord's loving, unfathomable Divine Mercy in the Sacrament of Reconciliation. Free to assemble as Catholic men, Knights, the visible right arm of the Church.

November brings us the end of the Liturgical Year, the Feast of Christ the King. It brings us another year past, another chance to begin anew. Almighty God has granted us the precious gift of Time. Time to remember, time to regret, time to rejoice, time to repent, time to forgive, time to be forgiven, and time to renew our commitments and convictions.

Keep the Faith, fight the good fight, run the race hard, and be thankful for our trials and tribulations. God will grant us all the Grace we need to pull through, we need only ask. Know that in order to share in Christ's Resurrection, we must also share in His suffering.

Happy Thanksgiving.

Queen of the Most Holy Rosary, and tender Mother of all people, I consecrate myself to your Immaculate Heart, and recommend to you my family, my country, and the whole human race. Please accept my consecration, dearest Mother, and use me as you wish, to accomplish your designs upon the world. O Immaculate Heart of Mary, Queen of Heaven and earth, rule over me, and teach me how to allow the Heart of Jesus to rule and triumph in me and around me, as it has ruled and triumphed in you. Amen.

WAYS TO PAY FOR WHOLE LIFE

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with our satisfaction in mind.

At the Knights of Columbus every product we offer has been designed solely for the benefit of our members and their families. When I

present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

We have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values (and the potential to earn dividends, which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. Then, premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance — permanent life insurance — and only paying one single premium? It's possible.

To learn more about these products, our long-term care insurance, disability income or retirement products, please call me today.

As the sun illuminates the moon and the stars,

so let us illuminate one another.

Help us to make our meetings

fruitful and pleasing to YOU!
